

Two Drug Preventive WORKSHOPS

23rd August and 26th August 2024

LAND REFORMS COMMISSION SRI LANKA

Substance Abuse Prevention two workshops for 80 participants of Land Reforms Commission was taken place in Community Education Center, Thaladena, Malabe on 23rd and 26th August 2024.

A total of two days of drug prevention and educational work was conducted at the Talahena Training Center for 80 officers of the Land Reform Commission with the full resources of the National Dangerous Drugs Control Board's Preventive Education and Training Division. The Chairman, Director General and Assistant Director of Human Resources Department of Land Reforms Commission participated in this program. The training was conducted by Pradeep Kumara Koholanegedara, Assistant Director of Prevention, Education and Training Division, Supun Udana, Education Assistant and Sudhara Priyanath, Development Officer.

The interactive learning approach offered to the participants greatly enhanced their success.
