| | IMPORTER/EXPORTER | DEALER | END-USER |
|--------------------------|--|--|---|
| Registration | Form 1 | Form 6 | Form 9 |
| Amendment | Form 2 | Form 7 | Form 10 |
| Renewal | Form 3 | Form 8 | Form 11 |
| Premises | Form 5 | | |
| Quarterly Returns | Form 4 | Form 4 | Form 4 |
| Submission | <ul style="list-style-type: none">• Copy of Environmental Protection Licence(EPL)- Central Environment Authority• List of Dealers | <ul style="list-style-type: none">• List of Dealers | <ul style="list-style-type: none">• Copy of Environmental Protection Licence(EPL) - Central Environment Authority• List of Dealers |

For Importers/Exporters

+ Importer need to apply for:-

If importer/exporter is end using the licence chemicals further

Importer/Exporter(form1) + Premises(form4) + End-user(form9)

If importer/exporter is dealing the licence chemicals further

Importer/Exporter(form1) + Premises(form4) + Dealer(form6)

+ If importer/Exporter need to amend the licence according to new quantities in same licence period

They want to apply:-

If they end-using the licence chemicals further

Importer /Exporter amend(form2) + End-user amend(form10)

If they dealing the licence chemicals further

Importer / Exporter amend(form2) + Dealer amend(form7)

+ Every year should be renew all the licences:-

Importer/Exporter renew (form3) + Premises(form4) + End-user renew(form11) or Dealer renew(form8)

- Every Licensed importer or exporter shall obtain clearance from the Central Environmental Authority for the purpose of storage & disposal(Environmental Protection Licence)
- Need to submit copy of Business Registration Certificate & copy of Environmental Protection Licence to the Precursor Control Authority
- Need to submit List of Dealers or End-users hope to deal or end-use to the Authority
- Need to submit Quarterly Returns(Form 5) once a three months according to the calendar months
- If a same importer deals with different names; need to apply for all dealer names as dealers
- If a importer obtain a end-using facility with different name; want to apply for both as a importer & as a end-user

Are the prescribed methods being adopted for storage of the Precursor

Yes

Chemicals? If yes, please describe

We use naturally ventilated, Semi-covered, open storage unit. The stores id kept as a separate building away from the main building where production is carried out.

Are the prescribed methods being adopted for disposal of the Precursor

Yes

Chemicals? If yes, please describe

For disposal of these chemical wastes; a project is carried out with **Holcim Geocycle**.They take away the chemical waste and dispose through thermal destruction.

Are the security measures being adopted to prevent unauthorized access to the premises or theft of

chemicals? If yes, please describe

The storage unit is kept locked at all times. This is opened only when chemicals are taken in or taken out. The key is kept at the security office, and whoever takes the key has to state his/her name and sing. The storage unit is manager by a separate personnel.
